wedding dance

overview

The idea of dancing at your wedding, in front of a crowd, in time with music, in formal clothing can be intimidating. But it doesn't need to be.

Busy Beats offers wedding dance classes that take the pressure off you and your partner and make the experience what it should be – enjoyable and memorable.

From the traditional bridal waltz to something with a modern spin, we can create the perfect dance for any style and any song.

No idea is too elaborate:

- Couple lessons
- Private lessons to surprise your partner
- Bridal party / Groomsmen lessons
- Whole wedding party lessons

Whether you are a beginner or seasoned dancer, Busy Beats will make sure you feel comfortable and confident to hit the dance floor on your wedding day.
